

SEPTEMBER 2019 JOB OPENINGS SNEED'S NURSERY

NURSERY LEAD: The Nursery Lead is responsible for ordering plant material for the nursery and managing the associates hired for their department. They should provide an exceptional experience for our customers at a garden center known for unique and unusual plant and lifestyle products. Every Sneed's department lead is expected to welcome, inspire, inform, and appreciate our customers. Extensive plant knowledge is a must. Department Leads must have good communication skills and an ability to work well with others. In addition to good customer service, the nursery lead should have strong sales skills and be able to close a sale quickly and confidently.

This is a full time position with salary starting at \$30-35,000/year, health benefits, educational benefits, and paid vacation. If you are passionate about plants and organics and interested in growing with a small business, please email deb@sneedsnursery.com for a more detailed job description and to submit your resume.

NURSERY ASSOCIATE: The Nursery Associate is responsible for assisting the lead in achieving the set goals of the nursery department. The nursery encompasses tree, shrub, conifer, rose, and topiary categories. They help with daily watering and plant care while providing the best customer service possible. Every associate is encouraged to share their passion and pursue their creativity while at Sneed's.

This is a part time seasonal position (24-32 hours/week) starting at \$10-12/hour. There are some benefits available. If you are passionate about plants and organics and interested in growing with a small business, please email deb@sneedsnursery.com for a more detailed job description and to submit your resume.

****Alrighty,** now that we've got all of the technical stuff out of the way: Are you passionate about organic gardening, natives, and our environment? Do you want to contribute to creating a greener community and healthier community? Do you want to share your passion with others? If you answered yes to any or all of these questions, then this is a wonderful time to consider working in our Nursery department!

Working at Sneed's is both challenging and rewarding. Challenging because of the physical labor required to be completed in all types of weather. Rewarding because of the customer appreciation and team

atmosphere you will experience as an employee. Sneed's is successful because of our employees. If you are dedicated, hard-working, and joyful, then consider applying today. Requirements: • Previous retail experience a plus • Plant knowledge a plus • Work with a sense of urgency • Weekend availability a must • Ability to lift up to 50lbs repetitively • Commitment to team work is essential
