

SCHOOL SPROUTS...10% OF YOUR PURCHASES GO BACK TO YOUR SCHOOL!

Sneed's Nursery and Garden Center is committed to fostering relationships within our community from the ground up through superior customer service, quality plant materials, skilled landscape designers, and knowledgeable garden center staff. We aim to inspire interest in the art of gardening and all things growing. Since 1975, Sneed's has supported local schools and civic groups in the area through donations and partnerships.

School Sprouts is a program we offer to help local schools raise money. Raise funds for your school while shopping for your garden and home. The only thing that you have to do is bring in your flyer to Sneed's Nursery during your school's week. Buy everything you need for your garden and present your flyer at time of payment. 10% of your purchase will go back to your school. Done!

Reward yourself AND your school by shopping at Sneed's for everything under the sun, and in the shade:

- Annuals, herbs, and vegetables
- Perennials
- Trees and shrubs
- Organic plant food and soil amendments
- Bagged and bulk mulch and topsoil
- Gift items and garden ornaments

Is your school interested in participating in the program? Contact jenny@sneedsnursery.com .
